## **Another Milestone!**

Well we passed another milestone without even noticing it. On April 1st, 2007 ~DtG~ was formed. From that core group of players we still have a few around. I am happy to say that it has been 3 years now!! We have branched out and started to play new games, but still remain a squad. I hope that we will continue to grow in the years to come. I hope we grow in all the games we play. To all the newer members - I hope that yall stay and make this the best multi-game squad out there. And to all our Founders that are still here thanks for three great years!!!
